Photojournalism Contest!

Cool off at the Wausau HQ library while you view our new lobby display, "Photos that Changed the World," featuring the history of photojournalism and its importance in news reporting. Using your memory or our books, have fun identifying news events through a contest ending July 31, based on 12 famous photographs placed on display.

Those with the top three scores will receive either a one month subscription to the Wausau Daily Herald, a framed Norman Rockwell print or free Briqs soft serve.

How many can you identify? .

Teens' Top Ten

The Teens' Top Ten list is a "teen choice" list. Teens get to vote for books from the previous year to make the list. Members of teen book groups in 16 schools and public libraries submit nominations. Is your favorite book from 2010 on the list? Read from the list now so you're prepared to vote this fall. (We'll remind you.)

A Milestone in Endowment Building for the Library

As California's first public library (established in 1849) Monterey's library has a longstanding commitment to seeing to it that library services and resources are here for future generations, as they have been for 162 years.

In recent weeks, the Library received \$25,000 for endowment building efforts from the Communities Advancing the Arts Fund of the Community Foundation for Monterey County. The challenge grant was made possible through the generous support of the David and Lucile Packard Foundation.

This is an important milestone. We still have a long way to go to build a multi-million dollar endowment, but we are seeing lots of progress! Congratulations to the Endowment Committee and staff who are working with them. Also, a huge thanks to donors, the Community Foundation, and everyone else who has contributed so much to this effort!

Events Service Milestones

This month two milestones were reached by members using the Events service. Member libraries have entered over 500,000 events and registered over 100,000 patrons since 2006. That's a lot of activity! The ease and convenience of online registration certainly contributes to the success of library programming for patrons of all ages.

Self-Cancellation for Events Reservation

Patrons can now cancel their own event registrations! After registering, patrons will be presented with a URL they can use to cancel their registration. The URL will also be included in email confirmations. Self-cancellation **will be blocked** if there is a waiting list for the event -- patrons will be directed to contact the library.

[Lewis and Clark and the Indian Country: A Traveling Exhibit](#)
Toms River Branch
June 23 - August 19
"Lewis & Clark and the Indian Country" is a traveling exhibit based upon a larger exhibition of the same name developed by the Newberry Library, Chicago. The American Library Association (ALA) Public Programs Office, in collaboration with the Newberry Library and the National Endowment for the Humanities, with additional support from the University of Illinois at Urbana-Champaign, is sponsoring this exhibition for hosting by public and academic libraries, nationwide.

The Ocean County Library is one of 23 Libraries nationwide selected to host this exhibit.

Looking for a more robust calendar solution? We've got a good one for you and it integrates into your WordPress website quite well. As usual check our [demo library](#) and [branch library](#) sites for examples. For full information and to sign up for the service visit:

<http://engagedpatrons.org/>

Specifically we're interested in the Library Events service:

<http://engagedpatrons.org/LibraryEvents.cfm>

Features:

- Display events in [calendar](#) or [list view](#);
- Online registration included at no additional cost;
- Include event title, description, dates/times, registration information & more;
- Search/filter by keyword, branch location, target audience, or custom category;
- Patrons e-mail alerts to themselves or friends (very popular!);
- Event listings can be integrated into your website's look and feel;
- Input your events on easy-to-use web form—no coding required;
- RSS feed available for all events or any search;
- WYSIWYG editing makes creating attractive listings as easy as typing;
- Add a photo or graphic to accompany each listing;
- Integration with PayPal for events requiring admission fees;
- Listings automatically deleted when event date passes (optional);
- Ability to link from your website to a specific event listing;
- Optional approval path allows selected staff to approve events before they appear for the public;
- \$229/year (free to [qualifying public libraries](#));
- No setup fees!
