

How do you create a Coursera account?

To create an account with Coursera, open a web browser and navigate to www.coursera.org.

There is a light-grey navigation bar at the top of the page. On the far right of the navigation bar, there is a "Sign Up" link. Click this.

You will be taken to the following page.

All you need in order to create a Coursera account is a valid email address. Enter information into the following four fields: Your name, your email address, and then a password for your Coursera account.

Finally, click "Sign Up" and you're done!
