NAXOS MUSIC LIBRARY

www.naxosmusiclibrary.com

NAXOS MUSIC LIBRARY is the most comprehensive classical music library online. In conjunction with hundreds of top music labels, it contains titles spanning medieval music to modern, jazz, electronic, world music, pop, rock, and more, making it an unrivaled streaming music library. **NML** is continuously updated with new labels added monthly and hundreds of CDs added each week.

As the only label with a full-time commitment to education, Naxos offers expert educational content written by a staff of musicologists. Composer biographies, a glossary of musical terms, opera libretti and synopses, a junior section with Meet the Orchestra, and more ensure **NML** is not just a streaming-audio resource, it is an educational resource.

“Naxos Music Library turns up at least a half-dozen performances of any given piece...”

– DAVID PATRICK STEARNS, THE PHILADELPHIA INQUIRER

NOTEWORTHY FEATURES:

- Over 1.6 million tracks from more than 112,000 albums and over 750 labels, with hundreds of new CDs added weekly.
- Customizable playlists: Professors can create and edit playlists of exam pieces and extracurricular listening for their students. Students can create their own private playlists as well.
- Mobile app: The **NML** iPhone, iPad, and Android apps are free and available to all subscribers, allowing them to access the full library and listen to their favorite playlists remotely—no computer necessary.
- Search by keyword, composer, genre, label, artist, duration, period, and more using the Advanced Search feature.
- Usage statistics: **NML** offers usage statistics for all subscriptions.
- Stream at Standard or Premium quality.
- Static URLs for every track, album, and playlist facilitate the sharing of **NML** content among users.

Right from its initial release, Naxos Music Library was one of the most impressive products we had ever reviewed...all we can do is recalibrate our standard for excellence and hope that we can upgrade our subscription.
