NOW AVAILABLE!

Examines More Than Five Centuries of the African-American Experience

African-American History Online offers a fresh way to explore the full spectrum of African-American history and culture. Users can start their investigation of a topic with a video or slideshow overview, use the key content called out on the home page to find an entryway into the database, or dig deep into an era through the Topic Centers. Read about key figures and events, examine speeches and other primary sources, and get context from the in-depth timelines. This robust resource offers a virtual library of African-American history for all educators, students, and researchers.

- **Authoritative Source List:** A complete inventory, by type, of the expertly researched and written content from a wealth of proprietary print titles
- **Easy Access to Content:** Featured content is handpicked by our editors to inform research and provide guided entryways into the database, plus convenient links to key areas are at the top of every page

African-American History Online

HIGHLIGHTS AND FEATURES

The screenshots display the website's navigation and content areas. The top section highlights 'Expansion of Opportunities: 1972-Present' with suggested reading and videos. Below, a 'Civil Rights Protest and Progress: 1955-1971' section features articles on Rosa Parks, the Selma Marches, and the Birmingham protests. A 'Sources' section lists 7,031 articles from various reference works, including 'A to Z of African-American Political Leaders' and 'The Encyclopedia of World Scientists'.

Focused Topic Centers: Specially selected content on each era in African-American history—including articles, videos, primary sources, shareable slideshows, and more—provides a starting point for research

Comprehensive Coverage: Delve deep into your topic or examine different perspectives through event and topic entries, primary sources, images, videos, general and topic-specific timelines, biographies, original maps and charts, and more

Plus—

- In-depth overview essays on relevant historical topics
- Original primary source documents
- A detailed general timeline, updated monthly, plus subject-specific and era-specific timelines
- Tag "clouds" for all content, linking to related material

Slideshow Overviews:

Enhance any topic discussion with the new, original, interactive whiteboard-friendly slideshows offering a fascinating visual introduction to key topics and themes

The slideshows provide visual introductions to key topics. The first, 'Early Abolitionist Movement', features a portrait of Wendell Phillips. The second, 'Cultural Leaders and Popular Figures', highlights Jackie Robinson. The third, 'African Americans in the Civil War', shows Black Union Army troops.
