

PRACTICES MAKE PERFECT

The ultimate digital library for visual arts education
— where visual inspiration meets practical advice across the disciplines

CONTENT HIGHLIGHTS

- **Instant, searchable access to over 170 illustrated books across the applied visual arts**, including: fashion and textiles; design and illustration; photography; film and media; architecture and interiors; design and marketing
- **Richly illustrated content**, with each title typically offering over 200 full-colour illustrations or images, expressly designed to meet the needs of visual learners
- **A versatile combination of titles** covering key skills and topics in each field and at different levels of study, structured sequentially from basic concepts to careers and professional practice

FEATURES AND BENEFITS

- **A wealth of practical pedagogy**, such as case studies, leading practitioner interviews, and activities providing teaching resources for instructors, while embedding students' understanding of real-world applications and supporting portfolio development
- **Illustrations showcasing work** or explaining techniques and concepts, with enhanced PDF viewing, allow invaluable close engagement with visual materials to spur creative thinking
- **Updated annually with new editions** to be made available, ensuring coverage of the latest technical know-how and trends in professional practice

Bloomsbury Applied Visual Arts is available for free institutional trials.
